Pairing guide

Long Press Back + Home button at the same time, until the red-light flashes quickly, then release, that means that the RCU is in pairing mode.

Stop pressing any buttons and wait a few moments until a successful pairing message will pop-up. Connecting the remote to the TV:

1. Press and hold the TV button on the GOtv remote control (red button) until the LED lights up permanently, then keep pressing.
2. Snap the TV remote face to face in front of the GOtv remote and press and hold the power button on the TV remote until the LED on the GOtv remote starts flashing.
3. Stop pressing both buttons and now the TV button on the GOtv remote controls the power of the TV.

GOtv setup

Complete the on-screen setup by following the on-screen instructions using your remote to navigate through the setup process.

Android TV

Android TV brings a world of content to your biggest screen. Ask Google to search for the latest blockbuster, stream shows, or open multiplayer games. Have it dim the lights by connecting smart home devices. Manage tasks and see your calendar. Or ask it questions and see the answers on your TV. Press the Google Assistant button on your remote to talk to Google.
